Based in Europe | Open to Remote International Opportunities

PROFILE

Highly motivated customer support professional with experience in international iGaming and live casino environments. Skilled in real-time communication, customer interaction, issue resolution, and delivering high-quality support in fast-paced operations. Fluent in English with experience supporting global audiences in high-pressure environments. Passionate about continuous learning, customer experience excellence, and long-term professional growth within international and remote-first companies. Strong adaptability, communication skills, and commitment to delivering professional service standards.

PROFESSIONAL EXPERIENCE

Evolution Gaming — Customer Interaction Specialist / Game Host

2024 – Present

- Delivered real-time interaction and customer support for international players within a high-volume live casino environment.
- Maintained professional English communication with global customers during live operations and gameplay.
- Handled fast-paced communication while maintaining accuracy, professionalism, and operational focus under pressure.
- Supported issue resolution processes through escalation handling and problem-solving.
- Adapted quickly to dynamic live broadcast environments while maintaining high customer service standards.

Hotel Genesis Georgia — Administration

2021 – 2022

- Managed guest relations, reservations, and administrative operations in a fast-paced hospitality environment.
- Delivered personalized support and professional communication to international and VIP guests.
- Handled operational responsibilities independently while maintaining high service quality.
